

REGISTRATION INFO

Welcome to DCA - Sandia

Get ready for a great year of swimming!

We have made some changes to team registration for both new and returning members.

We will be registering everyone on the web site,

www.dukecityaquatics.com Once you get to the home page, click on "registration" on the left-hand side of the page.

The system will walk you through the process and then calculate your fees for the first month of the fall session + annual USA Swimming registration fees.

When you sign up for a session, you commit to pay for three months. If you pay for the full session in one payment, you will receive a 10 percent discount off the first swimmer dues (see fee schedule below). Monthly payments are allowed as a courtesy. Monthly invoices are generated on the 21st of the month.

Session dues will be billed in September, December, March, and June. This billing cycle shortens the session from four months to three. Meet fees will be invoiced 10 days before the meet and are due upon invoice. Once your registration is complete and your payment has been received, you will receive a username and password for the web site.

Please direct questions to webmaster@dukecityaquatics.com
